

# How can I make room for German in my schedule?

1. Take a home study class from the Electronic High School. You can take all kinds of classes including Biology, Health, Geography, and History. Best of all--it's free!!! <http://ehs.uen.org>
2. Take a class in summer school. The class size will be smaller and you can get more personal attention.
3. Take a BYU home study class. They offer just about everything you can think of. <http://ce.byu.edu/is/>
4. Submit an application to the principal to wave or change a graduation requirement. Talk to Mr. Van Orden and your counselor.
5. Take all eight periods. You have to get up early, but it is worth it.
6. Sign up for early morning seminary.
7. If you have failed a class, you can do some district packets. You can do a packet for gym even if you haven't failed the class.
8. If you have any questions, come talk to Mr. Van Orden.
